

Dystopian Society – Divergent

As discussed, we learned that there are several main traits of a dystopian society. While watching the movie, note the following traits and give examples of how you know.

1. A Totalitarian Government – Describe how the **government is control** in this movie. Give 3 examples.

2. Major Change in the Society's Past – What was the **major change** that took place to create this society?

3. The Protagonist – Who is the **protagonist** and what are his/her character traits?

4. Who are the **people who end up helping the protagonist** and why do they decide to do so?

5. What are some examples of **technology** used? How does this help control their society?

6. What are some of the **echoes of today** found in this movie? (Flaws or weaknesses in our society that are reflected here?)

7. Why might citizens **fear** the outside world?
